Reports

- Rich still to complete the intro and quality sections of the final doc. To be completed by the meeting on the 17/3
- Still no reply from Donovan
- Test suite needs to be for most important Class's and can then be modified for others
- Print save to be added to the class diagram
- Ben signed off on the rest of the class diagram
- Need to redistribute Donovans work
- Discussed how busy with other commitments we are for the next couple of weeks and that this may have to take a hit to get past other deadlines
- Clarified that the difference function was (A,B) = A+B
